***Directions to garden:***

From Dallas on Hwy.75 North to FM 1417 exit. Turn right(East), go to the County Barn (You will see the gravel piles), turn right (South) onto Luella Road. Go about 4.5 miles on Luella Road, Our house is on the left side of the road. You will see our sign-Don's Taxidermy & Angel Iris Farm. Turn onto the drive and go to the log sided doublewide. You will not see the Iris until you drive back to the house. There is plenty of parking at the garden as long as there has been no rain.
